

SFB1565 Seminar

Prof. Dr. Sebastian Leidel

Research Group for RNA Biochemistry
Department of Chemistry, Biochemistry and Pharmaceutical Sciences
(DCBP), University of Bern, Switzerland

The two sides of the coin –
how the epitranscriptome tunes mRNA
translation and decay

Thursday, June 18, 2026, 03:30 pm
Ernst-Caspari-Haus, Seminar room 0.232/0.233,
Justus-von-Liebig Weg 11, Göttingen

Hosted by Prof. Dr. Markus Bohnsack
